AM.

(By Kind Permission of 1982 Superman Fanzine Stuff (Standard Publishers) £1.95 (Limited Edition) 16 Sep April)

PTO – for AM's Favorite Filthy Pix

PS – Beards still available from Harrods while stock last

STAFF SEX-SYMBOL

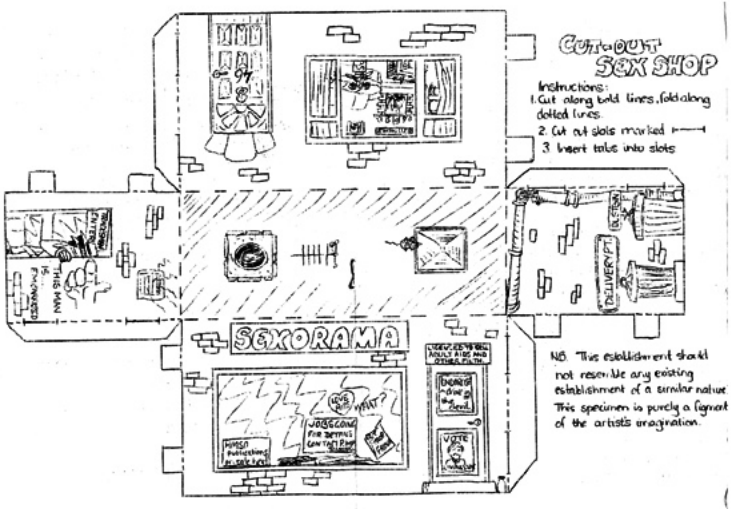
GORGEOUS GEORGE (MR. BOWDEN)

In a lavish ceremony Mr. G. Bowden was elected Staff Sex Symbol 1982. The contest was close and Mr. A. Bowman came second after the organisers decided he showed too much leg to be a decent winner. The glittering crown and cheque for 2 rounds in the Royal Oak were presented by 3 times winner Mr J. Frusher. He did not compete this year so as to allow more time for Mrs Hudson (and other activities). Other awards were:-

Most Promising Newcomer ~ Mr. A. West.
Best Group ~ Messrs. Steel, Lawrenson and Ireland
Best Long-Player ~ Mr. M. Winterburn
Best Actor ~ Mr. T. Mead (for "a superstar in WHS")
Favourite Specialist ~ Mr. M. Spencer
Worst Memory ~ Mr. G. Payling
Worst Turned-Out Celt ~ Mr. A. Entrekrap
Obedience Champion ~ Mr. R. Milner.

CUT-OUT SEX SHOP

Instructions:
1. Cut along bold lines, fold along dotted lines.
2. Cut out slots marked ⊢—⊣
3. Insert tabs into slots



NB. This establishment should not resemble any existing establishment of a similar nature. This specimen is purely a figment of the artists imagination.

GONAD Gossip

SCHOOL FUND SCANDAL!

In an exclusive interview, the Headmaster confirmed that school fund contributions were used, solely, for the improvement of facilities within the school. When questioned about certain disturbing rumours, he denied that part of the vast fund reserves had been sent to aid Sir Freddie Laker, in his efforts to establish a 'people's airline'.

The Head also revealed that he had sent a personal assurance to Sir Michael Edwardes, that he was very happy with his Leyland Mini and that he has no intention of trading it for a Delorean sports car.

It was also delightful to hear that sales of the special WHS calendar celebrating the 'Year of the Pre-Fab' have steadily exceeded the half a million mark. A copy of this glossy best-seller is pictured (right). This shows a species once on the brink of extinction. But now a successful breeding colony has been established in the WHS reserve.
